

West TN STEM Hub STEM Ambassador Program

What Is a STEM Ambassador?

A STEM Ambassador is a college student that

- loves to work with kids
- has a passion for STEM
- can communicate well with students
- has the ability and willingness to travel

What are the benefits?

A STEM Ambassador can get

- payment (STEM Ambassadors start at \$15 an hour)
- connections (STEM Ambassadors work with leaders in the community)
- friends (STEM Ambassadors get to work with some amazing coworkers!)

What Makes a Great Ambassador?

A STEM Ambassador must

- Show up to assignments on time
- Communicate with their boss and fellow Ambassadors
- Follow directions
- Be open to new places

What Does A STEM Ambassador Do?

A STEM Ambassador can

- Work with K-12 students in Shelby county with weekly assignments
- Aid schools and communities with special event assignments
- Work in the Lending Library
- Edit the STEM Hub social media pages
- Report data to the STEM Hub

What Have the Ambassadors Done?

A STEM Ambassador has worked

- Regular and On-Call Assignments
- School STEAM Nights
- Summer Camps
- Conferences

**CAN'T WAIT TO SEE YOU WITH THE
AMBASSADORS!**
